

# What's hot at UIP50 Monaco

By **J.J. Guex MD**, Chair Organizing Committee

**Short abstracts** sessions will allow more authors to present.

They are also more appropriate for case reports, technical tips and tricks and simple reports.

All (60) **posters** will be presented during the whole meeting, 15 of them discussed every day, one award per day !

The congress organization will print your posters for you free of charge ! (Provided that you

send us your request and a PDF file by July 30<sup>th</sup>).

Talk to the experts **breakfast sessions** will require an early wake up but will offer plenty of time in direct contact with the experts for discussions and explanations. 3 different everyday, 7.30 to 8.15 am

**Plenary non concurrent session** from 9.00 to 13.00. Featuring invited presentations, guest lectures, and UIP consensus.
